

ALICE SMITH

Fullstack Software Developer

Email: alice.smith@email.com | Phone: +1-555-0102 | LinkedIn: linkedin.com/in/alicesmith-dev

SUMMARY

Dynamic Fullstack Developer with 4 years of experience building modern user interfaces and backend APIs. Strong skillset across both frontend components and server setups.

EXPERIENCE

AppStudio Inc - Fullstack Developer (2022 - Present)

- Designed responsive user interfaces using React, TypeScript, and CSS Tailwind.
- Built server controllers using Node.js and Express, connected to MongoDB databases.
- Written unit and integration tests using Jest and Webpack configurations.

CoreWeb Solutions - Junior Developer (2020 - 2022)

- Built layout pages using HTML, Sass CSS, and JavaScript.
- Maintained databases using SQLite and MySQL schemas.

EDUCATION

Bachelor of Science in Computer Science - University of California, Irvine (2016 - 2020)

SKILLS

Languages: JavaScript, TypeScript, HTML, CSS, SQL
